

At Cracoe and Rylstone CE Primary School our aim is to help each child flourish into a caring, confident and resilient young person who has a love of learning. Over the past year, we have aimed to ensure that Cracoe School is a place where children thrive as individuals, while maintaining a strong focus on every child's right to make strong academic progress. We support children in learning to think, to take responsibility for themselves and their own learning. Through our varied and dynamic curriculum, children have opportunities to develop themselves in all sorts of ways. As a Church of England School we do all of this through our shared Christian values of Love, Kindness, Forgiveness, Thankfulness and Trust.

Cracoe is part of the Upper Wharfedale Primary Federation of schools, comprising of Burnsall CE VA Primary School, Grassington CE Primary School and Kettlewell Primary School.
